COMPiled BY MICHELE K. ESPOSITO

This section is part eighty-four of a chronology begun in JPS 13, no. 3 (Spring 1984). Chronology dates reflect Eastern Standard Time (EST). For a more comprehensive overview of events related to the al-Aqsa intifada and of regional and international developments related to the peace process, see the Quarterly Update on Conflict and Diplomacy in this issue.

Syria, leaving more than 700,000 still internally displaced. The Lebanese government now puts the comprehensive toll at 1,152 Lebanese killed and some 3,700 wounded, with numbers expected to rise as more bodies are recovered.
